[Summary and other information of the Plan]

The Eligible Directors, etc. shall pay all of the monetary claims received from a Subsidiary of the Company under the Plan as contributions in kind and shall receive the issuance or disposal of shares of common stock of the Company. The amount to be paid per share shall be determined by the Board of Directors based on the closing price of the Company’s Class-A Preferred Stock on the Tokyo Stock Exchange on the business day immediately before each date of resolution by the Board of Directors (if there is no closing price on such date, the closing price on the closest preceding trading day) or any other amount within the extent that the amount will not be particularly advantageous to Eligible Directors, etc. who subscribe the Company’s Class-A Preferred Stock.

In addition, upon the issuance or disposal of shares of Class-A Preferred Stock of the Company under the Plan, the Company shall enter into a restricted stock allotment agreement between the Company and the Eligible Directors, etc., which shall include the following: (i) the Eligible Directors, etc. shall be prohibited from transferring, creating a security interest in, or otherwise disposing of the shares of Class-A Preferred Stock of the Company allotted under the restricted stock allotment agreement to any third party for a certain period; (ii) in the event that certain circumstances arise, the Company shall acquire said shares of Class-A Preferred Stock without consideration.

The summary of the agreement on allotment of restricted stock to be concluded between the Company and Eligible Directors, etc., for the Disposal of Treasury Shares (hereinafter referred to the “Allotment Agreement”) is as described in 3. below.

3. Summary of the Allotment Agreement

(1) Transfer period

The restriction period shall be the period from August 22, 2025 (the “Disposal Date”) to the time immediately following the retirement or resignation of a Director, an Executive Officer not concurrently serving as a Director, or Audit & Supervisory Board Member of the Company or any of its subsidiaries.

(2) Lifting of transfer restrictions

Within the period from the date of commencement of execution of duties by the Eligible Directors, etc. to the time immediately preceding the conclusion of the first Annual General Meeting of Shareholders to be held thereafter (provided, however, that if the Eligible Directors, etc. are Executive Officers who do not concurrently serve as Directors, the period shall be read as from the beginning of the fiscal year in which the date of this Disposal falls to the last day of said fiscal year. The same shall apply hereinafter) (the “Service Period”), the restriction on transfer of all of the Allotted Shares shall be lifted at the expiration of the Transfer Restricted Transfer Period on the condition that the Director, Executive Officer not concurrently serving as Director or Audit & Supervisory Board Member of the Company or any of its subsidiaries has continuously held said position.

(3) Treatment in the event an Eligible Director, etc. retires or resigns due to the expiration of the term of office or other justifiable reasons during the Service Period.

(i) Timing of lifting transfer restrictions

In the event that an Eligible Director, etc. resigns or retires from the position as a Director, Executive Officer not concurrently serving as a Director, or Audit & Supervisory Board Member of the Company or any of its subsidiaries due to the expiration of the term of office, retirement, or any other justifiable reason (including resignation or retirement due to death), the Transfer Restrictions shall be lifted at the time immediately following said resignation or retirement.

(ii) Number of shares subject to lifting of transfer restrictions

Number of shares obtained by multiplying the number of Allotted Shares held at the time of said retirement or resignation as specified in (i) above, times the number of months from the month including the date of Disposal (however, if the Eligible Director, etc. is an Executive Officer who does not concurrently serve as a Director, the date of Disposal shall be read as the beginning of the fiscal year that includes the date of Disposal) to the date of resignation or retirement of the Eligible Director, etc., divided by the number of months pertaining to the Service Period (12) (if that number exceeds 1, 1 shall be used) (however, if the calculation results in a fraction of less than one share, it shall be rounded down).

(4) Acquisition by the Company without consideration

If an Eligible Director, etc. commits an act in violation of laws and regulations during the Restricted Transfer Period or falls under any other specified reasons stipulated in the Allotment Agreement, the Company shall automatically acquire all the Allotted Shares held by the Eligible Director, etc. at said time without consideration. In addition, the Company shall automatically acquire without contribution the Allotted Shares on which the transfer restrictions have not been lifted at the time of expiration of the transfer restriction period or at the time of the lifting of the transfer restrictions as specified in (3) above.

Board of Directors as of the time immediately preceding the business day immediately preceding the effective date of the reorganization, etc. (“Reorganization, etc. Effective Date”). In addition, as of the business day immediately preceding the Reorganization, etc. Effective Date,, the Company shall naturally acquire all of the Allotted Shares for which transfer restrictions have not been lifted without consideration.

(6) Administration of shares

The Company shall have the Eligible Directors, etc. open dedicated accounts at Nomura Securities Co., Ltd. for the management of the Allotted Shares during the transfer restriction period, so the Eligible Directors, etc. cannot transfer the shares, create security interests, or otherwise dispose of the shares during the transfer restriction period. The Company has entered into an agreement with Nomura Securities Co., Ltd. in relation to the management of the accounts of the Allotted Shares held by each of the Eligible Directors, etc. in order to ensure the effectiveness of the transfer restriction, etc. on the Allotted Shares. In addition, the Eligible Directors, etc. shall agree to the details of the management of such accounts.

4. Basis for calculation of the amount to be paid in and specific details thereof

This disposition of treasury stock to the allottee is to be conducted with monetary claims as investment assets. The disposal price is set at 1,778 yen, which is the closing price of the Company’s Class-A Preferred Stock on the Prime Market of the Tokyo Stock Exchange on July 24, 2025 (the business day immediately preceding the date of the Board of Directors’ resolution), in order to eliminate arbitrariness. This is the market share price immediately prior to the date of the Board of Directors’ resolution, and is considered to be reasonable and not a particularly favorable price.
